RECONCILIATION.
In nucleit times, the borderers, of person dwelling on the borders of Enghad and Socoland, were distinguished by a greater-degree of ferocity than those who dwelt in a more therior part of the king don, and even to this day they retain much of their old rude namers and harbarous april. A curious insance of this occurred some few years ago, inchencial before of Penrith: —A cuttings insance of this was at mortal ennity with one of his weighbours, fell sitck, and oning giren, over lent for his carenty, that they might be reconciled.—Any and he, when the man intered the roots, 1 am very bad indeed he yed that I, shall die? "Why, bone had, replied his visition; 1 happe not to be liver you get every bad; but for an unit perhaps, yed may do yet. No, 50.
